HOMER GAQUETTE 3/31/01
JOHN M MOORE 2/21/02

From the DeFacto Editor:

There hasn't been a newsletter for a while because not much has been going on. Winter on the UP has been very mild with below average snow levels. There were a lot of worries that there would not be enough snow (can you believe that) to hold the ski jumping, cross country ski race and sled dog races. Fortunately, with the aid of some trucks and front end loaders they got all three of the events off.

Plans are being developed for the next reunion. Don Croston and his crew have set the date and location as noted on the front page. It looks as if the costs for the rooms will be very reasonable. We expect to see everyone at Omaha in August.

We were saddened to hear of the death of John Moore. John was an Instructor Navigator in the squadron in the early 60's then retired and worked as the Base Housing Officer for a while and then was ordained a Minister and served at several churches in the UP. John was a great guy and a lot of fun on the golf course. He will be missed.

The passing of Kay Reeves also saddened us. Kay and Buck were in the squadron in the early 60's until Buck left the Air Force to fly with PanAmerican.

PLEASE — UP DATE YOUR E-MAIL ADDRESSES. There are quite a few which have been coming up as undeliverable lately. Take a minute and send an e-mail to ARS46@aol.com and we will up date the roster information.
